

ALL AROUND THE WORLD TONIGHT
A year after joining staff, I decided that a real toe-tapping pick-me-up type of song would be an encouraging addition to the 1992 missionary Christmas tape.

ALL AROUND THE WORLD TONIGHT

w/m by **Tamara K. Gross**

VERSE:

All around the world tonight
Children hope to see Santa Claus
Anticipating, their eyes are filled with awe
& all around the world tonight
No matter where, no matter who
Ev'ryone is waiting for the magic to come true

PRECHORUS:

But the greatest Gift they'll ever find
Came into the world on Christmas night

CHORUS:

*All around the world
Hear the angels singin'
About the Gift God gave the world
All around the world
Hear the voices ringin'
To reach the ones who haven't heard
Tonight I know the greatest Gift
Has come to shine His light
In ev'ry heart, in ev'ry land
All around the world tonight*

VERSE:

All around the world tonight
There are those who've yet to know
& they are waiting for the story to be told
& all around the world tonight
No matter where, no matter who
Ev'ryone is waiting for a Christmas that is true

PRECHORUS:

But the greatest Gift they'll ever find
Came into the world on Christmas night

CHORUS:

*All around the world
Hear the angels singin'
About the Gift God gave the world
All around the world
Hear the voices ringin'
To reach the ones who haven't heard
Tonight I know the greatest Gift
Has come to shine His light
In ev'ry heart, in ev'ry land
All around the world tonight*

BRIDGE:

I pray that when the night comes
& the quiet starts to fall
A mighty noise from Heaven
Will waken the hearts of all

CHORUS:

*All around the world
Hear the angels singin'
About the Gift God gave the world
All around the world
Hear the voices ringin'
To reach the ones who haven't heard
Tonight I know the greatest Gift
Has come to shine His light
In ev'ry heart, in ev'ry land
All around the world tonight
All around the world
Hear the angels singin'
About the Gift God gave the world
All around the world
Hear the voices ringin'
To reach the ones who haven't heard
Tonight I know the greatest Gift
Has come to shine His light
In ev'ry heart, in ev'ry land
All around the world tonight
All around the world tonight*
